DUNE JEWELRY LAUNCHES THE HAMPTONS ROPE COLLECTION BY ANN LIGUORI

(BOSTON, MA – March 23, 2018) - Dune Jewelry, the Original Beach Sand Jewelry Company,® has recently come together with Sports Radio & Television Personality, Author and Golf Correspondent, Ann Liguori, to collaborate on a special collection of jewelry. [The Hamptons Rope Collection](#) was inspired by Liguori's love of travel, sports, animals, and connecting with people all over the world. The stylish rope detail adds extra distinction and elegance to each design.

"From the moment I met Ann I was immediately intrigued," says Holly Daniels Christensen, Founder & CEO of Dune Jewelry. "She has traveled the world, has met an extraordinary amount of people and has had so many exciting life experiences. When we decided to sit down and collaborate on a collection, it came together naturally. From the start, we knew we wanted this collection to embody Ann's sophisticated style, her love of traveling and it needed to reflect her life at home with family and friends in the Hamptons."

The Collection currently consists of six items including a necklace, earrings, cuff bracelet, cufflinks and statement ring. Each and every piece is customized and handcrafted with unique experiences in mind. *The Hamptons Rope Collection* retails from \$90 to \$260. Each design can be customized with a sentimental element or actual sand from your favorite beach or travel adventure.

"I'm thrilled to be collaborating with Holly and the Dune Jewelry team on *The Hamptons Rope Collection*," says Liguori, one of the original talk show hosts on both WFAN Radio in New York and The Golf Channel and the author of 'A Passion for Golf, Celebrity Musings About the Game.' "When I think of The Hamptons, I think of stunning scenery, beautiful, white fluffy beaches, stunning waterways, some of the most prestigious golf courses in the country, sunset boat rides, biking on quaint, country roads, and spending quality time with family and friends. *The Hamptons Rope Collection* can remind you of these precious moments."

Dune Jewelry is a keepsake, collectible jewelry line built around the celebration of experiences providing golfers and enthusiasts with a creative new way to showcase their memories. Handmade in the USA, Dune Jewelry's patented designs are exclusively manufactured in their Boston, Massachusetts studio, created with sand and natural elements from thousands of locations around the world, including beaches, ball parks, hiking trails and even sand from bunkers or grass from legendary golf courses.
