LIGUORI NAMED CELEBRITY AMBASSADOR FOR HEATHROW AND LEGACY CLUB

ORLANDO, FLORIDA – December 27, 2013 - Sports radio and television personality and author ANN LIGUORI has been named 'Celebrity Ambassador' for Heathrow Country Club and The Legacy Club at Alaqua Lakes, two Concert-owned properties in Longwood, Florida.

"We are extremely pleased and fortunate to have Ann join our Team and provide us with a wealth of media experience and expertise", said Nate Kalb, Director of Operations of the combined Heathrow and Legacy Clubs.

Ann is the golf and tennis correspondent for WFAN Radio and CBS Sports Radio Network, writes a column for www.cbsny.com and hosts the weekly 'Sports Innerview with Ann Liguori' radio show on NPR affiliate WPPB 88.3 FM and www.peconicpublicbroadcasting.org. Ann serves as Vice President on the Board of the Metropolitan Golf Writers Association. Ann's book, 'A Passion for Golf, Celebrity Musings About the Game,' is out in second edition.

Liguori has a lists of 'firsts' in the broadcasting world – the first woman to host a call-in sport's show on WFAN-NY 660 AM, the first all-sports radio station in the U.S., where she hosted a weekly call-in sports show, 'Hey Liguori. What's the Story,' for 23 years; the first woman to host her own prime-time, weekly series on The Golf Channel. 'Conversation with Ann Liguori' aired the first five years of TGC's inception. And Ann Liguori Productions owns and distributes the long-running 'Sports Innerview' cable series, hosted and produced by Ann and features over 600 half-hour interviews with top legends in sports and entertainment.

As Celebrity Ambassador for the two properties, Ann will be actively involved in promoting the benefits of membership as well as the unique qualities and facilities each club offers for special events, fund raisers and business gatherings.

The combined Legacy-Heathrow duo offers 36-holes of Tom Fazio and Ron Garl golf via a limited number of dual-access memberships. For some, the pairing combines the top-notch Fazio golf experience, 10,000 sq. ft. clubhouse and luxury men's locker room of Legacy with the full amenities of Heathrow - which include 13 tennis courts, Olympic-sized pool, fitness facility, and much more. The clubs have offerings for the avid low-handicap golfer or the new golfer just learning the game, as well as outstanding junior camps and programs including golf, tennis, and swimming. According to Nate Kalb, "There is now a totally unique offering in the North Orlando market: we have combined the two best private clubs in the Lake Mary, Heathrow, and Longwood areas." Mr. Kalb went on to say that "this is clearly the best private club value in Central Florida - members can get two top-notch clubs for a reasonable price."

About Concert Golf Partners

Concert Golf Partners is an active golf club owner-operator based in Newport Beach, California. The company was formed by Peter Nanula, founder and CEO of Arnold Palmer Golf Management from 1993 to 2000, and has a significant pool of capital to buy and operate large-scale private clubs with over \$3 million in annual gross revenues located in major metro areas. Concert Golf has now acquired 7 clubs and mortgages in the last 2 years.
